ABOUT ME

Front End developer with 3+ years of experience working in a corporate environment as a front-end UI/Web developer. Currently, I'm associated with NRIOL Pvt. Ltd., Bengaluru, working for clients based web applications by utilizing skills JavaScript, HTML, CSS.

EXPERIENCE

Front End Developer NRIOL Private Limited
5/2021 - Present,

Project: AVI (American Visitor Insurance)

Spearheading the design and implementation of user interfaces that enhance the overall user experience and align with AVI's brand identity.

Leveraging expertise in HTML, CSS, and JavaScript to create pixel-perfect, cross-browser compatible, and mobile-friendly web applications, ensuring optimal performance across various devices.

Collaborating closely with UX/UI designers and back-end developers to translate design concepts into functional and aesthetically pleasing user interfaces, with a keen eye for detail and a focus on usability.

Implementing and maintaining web accessibility standards, ensuring the AVI platform is inclusive and accessible to users with diverse needs.

WORK EXPERIENCE PROJECTS

CRM

developed and maintain customized CRM software for major brands as an Front End Developer.

Created user-friendly, efficient, and effective solutions with expertise in Angular framework.
